Please visit our CGIS website at www.maryville-schools.org/cgis to find information regarding all our activities, clubs, school calendar, classroom information, and more.

**Digital Citizenship Announcements Week: Relationship and Communication
10/31/18**

Here are a few words of wisdom regarding digital citizenship. This week, we are focusing on Relationships & Communication. For decades, the people living in Roseto, Pennsylvania were living longer than other Americans. People started to research this phenomenon. They decided that Roseto was very close-knit, leading to a sense of brotherhood. This brotherhood was contributing to the longer, healthier lives. Wouldn't it be great for our online communities to have this sense of family and brotherhood? At Maryville City Schools, we recommend reflecting on this Chinese proverb: "When the heart is at ease, the body is healthy." Remember that kindness can make a huge difference in your happiness and health. Spreading kindness is not difficult, and it costs nothing. However, it can change how people feel mentally and physically. Are you putting others' hearts at ease? The kindness you spread in person can also be spread online! The choice is yours.

Cyberbullying and Digital Drama 11/2/18

Here are a few words of wisdom regarding digital citizenship. This week, we are focusing on Cyberbullying & Digital Drama. We hear a lot about morals. Have you ever thought about what it means to have morals? To be a moral person, you have to be able to tell the difference between right and wrong. Most of us know what is right and wrong. We know it's wrong to deliberately hurt others, online or in person, but when others are involved in digital drama, it can be tempting to join in. At Maryville City Schools, we recommend that each person: Reflect on a time you did the right thing, even when it was difficult. Doing the right thing can be difficult. Sometimes it requires great courage to stand up to those who are not doing the right thing. This week, let's tap into that courage and do what's right for ourselves and for others. The kindness you spread in person can also be spread online! The choice is yours.

Running Club Reminder

Running Club will not meet this week on Wednesday, October 31st or Friday, November 2nd. The makeup day for runners will be Friday, December 7th. If you have any questions, please contact Jaqui Stiver at jaqui.stiver@maryville-schools.org.

If you are interested in running in the Turkey Trot be aware that the price for registration changes if you register after November 4th. Please visit the website link below to register.

Attendance Parent Note Policy

Just as a reminder, the new TN state guidelines regarding parent notes is different from prior years. The state is mandating that each day a student is out is counted as one parent note. If your student is absent for 4 days and you personally as their parent or guardian write a note that will encompass 4 of your 10 notes allowed per school year. Stricter requirements are in place for parent notes this school year.

Reading PLUS News!

Parents, your student can now get a head-start on the next week's Reading PLUS assignment. Any reading that is completed on Saturday or Sunday will now count towards his/her next week's goal. Happy Reading!

Children's Fund Drive on Giving Tuesday

Maryville City Schools Foundation and the Family Resource Center are teaming up again this year for a Children's Fund Drive on Giving Tuesday. Our school community is being asked to donate cleaning and laundry supplies for Children's Fund/FRC families from all Maryville City Schools. Giving Tuesday is always the Tuesday after Thanksgiving. This year it is November 27th. CGIS will have a collection bin located in Town Square starting **Monday, November 19th** so all our generous families can donate to this cause.

Gift Card Collection for MCF Spotlight Event

Spotlight is an annual event for teachers and support staff, scheduled on our in-service day, February 18, 2019. During this event, we will have a guest speaker, author John O'Leary of On Fire. An important part of Spotlight is the opportunity to recognize all staff for employment milestones with the Maryville school district. Also, MCF will have drawings at the event and hope to make everyone feel appreciated ... which is where the gift cards come in. All Maryville City Schools will be collecting gift cards between now and January 31, 2019 for Spotlight. If you would like to give to our Spotlight gift card drawing, please send in your new or re-gifted cards to the CGIS Office.
