

November 6, 2020

Mark Your Calendars

All 4th Grade Students are digital all next week.

Monday, November 9th - 6th & 7th Grade Basketball Game Away at Alcoa - The Girl's game starts at 6:00 pm and the Boy's starts at 7:00 pm at Alcoa. Come out and cheer on our CGIS Hawks!

Tuesday, November 10th - Ne\$t Egg Opening Day

Wednesday, November 12th - 6th & 7th Grade Basketball Game Away at Union Grove Middle - The Girl's game starts at 6:00 pm and the Boy's starts at 7:00 pm at UGES. Come out and cheer on our CGIS Hawks!

Saturday, November 14th - 4th & 5th Grade Basketball Game Away at Concord Christian - The Girl's game starts at 10:20 am and the Boy's starts at 11:00 am at Concord Christian. Come out and cheer on our CGIS Hawks!

Please visit our CGIS website at www.maryville-schools.org/cgis to find information regarding all our activities, clubs, school calendar, classroom information, and more.

The Scholastic Book Fair is almost here! While the Fair will be **exclusively held online** this year, we still plan on making it a fun and joyous experience for our kids. Features include:

- Coulter Grove's own online store, with a large selection of titles, at the right price points
- A Virtual Fair so you can experience the magic of the school shopping experience. Browse titles by grade, meet popular authors, and discover the comfort and joy of our Fair
- Every dollar you spend will benefit our school directly (25% back in rewards!)

Save these dates and view our school's Fair site:

Fair Dates: November 9th - 22nd

Online Store: <https://www.scholastic.com/bf/coultergroveintermediate>

(When the fair starts on Nov. 9th, the link will allow you to shop, with proceeds benefiting our school.)

We can't wait to "see" you at the Fair!

If you have questions, please contact Katie Voyles in the Library at katie.voyles@maryville-schools.org.

It is time once again for our Hawk Angel Tree!

The Angel Tree provides gifts and basic necessities for deserving children at CGIS. Most angel Christmas lists average \$150-\$200, so consider asking a friend or family member to help in the shopping and expenses. We hope you will consider adopting an angel from our DIGITAL Hawk Angel Christmas Tree this year using the attached link. If you are unable to adopt an Angel, but would like to contribute, you may sign up to donate Wal-Mart gift cards on the link provided below.

Your generosity and kindness are so appreciated!

CGIS Angel Tree 2020

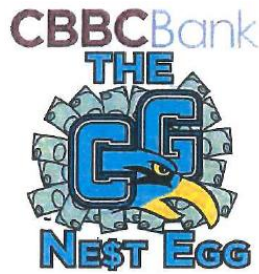

Thank you for selecting an angel off the Hawk Angel Christmas Tree! Your generosity and kindness are so appreciated. Most angel Christmas lists average \$150-\$200, so consider asking a friend or family member to help in the shopping and expenses. Please pick up your angel's shopping list in the school office between Tuesday, November 10th and Friday, November 13th. All gifts should be returned to the school office by Friday, December 4th. Thank you for providing gifts to a deserving child! If you have any questions, contact Stacy Greene at stacy.greene@maryville-schools.org Please review the available angels below and click on the button to sign up.

7th Grade Suicide Prevention Seminar

QPR stands for Question, Persuade and Refer-3 simple steps that anyone can learn to help save a life from suicide. The students will learn to recognize the warning signs of suicide and how to question, persuade and refer someone for help. It will be age appropriate to students so that they will learn who to turn to for assistance in this situation should it arise. It also follows the B1 information from the Jason Foundation-to Be Aware, Be Able to Identify and Be Prepared to React if this should occur.

Friday, November 20th (Black House students), Monday, November 23rd (Red House students), and Wednesday, November 18th Digital Learners students), Deb Skyler, Ed.S. and Director of Family Resource Center will be training and leading student discussions about suicide prevention. She had been QPR trained and a member of the Blount Mental Health Awareness and Suicide Prevention Alliance.

Please contact Debbi Waldroop/McKinley Dalton, CGIS 7th Grade Guidance Counselors at 982-6345 ext. 61909 if you have any questions or concerns.

CGIS & CBBC Bank are excited to announce that The Nest Egg will be reopening on Tuesday's beginning November 10, 2020.

The Nest Egg is an actual bank that will be located right inside the school. The bank will be open one day a week. Beginning this year, we will have a deposit box set up for your student to make a deposit any day of the week. The main purpose of our joint project will be to teach your student to save.

CBBC Bank is excited to open a savings account with the following features for your student:

- No monthly service charge regardless of balance
- Opening deposit of \$1.00
- Earns interest on balances over \$25.00
- No more than 3 In-School bank withdrawals allowed per month
- No more than 6 total withdrawals allowed per month
- Maximum \$5.00 withdrawals at the In-School bank
- Withdrawals over \$5.00 must be done at a local CBBC Bank branch
- Account requires a parent or legal guardian as a signer
- Deposits and withdrawals may be made at the In-School Bank without the parent's permission

A parent/guardian may open a savings account with their student online at cbbcbank.com. Under the Personal Tab, click on "Apply for an Account" and follow the steps. Once the application is submitted, one of our eBanking staff will reach out to you to verify if you want your documents mailed or signed in person at a CBBC Bank branch. Unfortunately, eSign is not available for students under the age of 18. If you choose to have the signature card mailed to you, we will provide a self-addressed stamped envelope.

When the signed signature card has been received by the bank the students may begin using their account.

We look forward to reopening The Nest Egg and helping your student to develop a savings habit that will last them a lifetime.

For more information please contact Laura Lenear at 865-379-2509 or llenear@cbbcbank.com.

THANKSGIVING DAY!

NOVEMBER 26, 2020

RACE STARTS AT 8:30 AM

**ENTRY FEE: \$30 FOR ADULTS AND \$25 FOR 18 & UNDER
PRICE GOES UP NOVEMBER 6TH**

ALL PARTICIPANTS WILL RECEIVE A T-SHIRT

T-Shirts guaranteed for registrations before 11/18/20, after this date while supplies last.

.....
**COULTER GROVE INTERMEDIATE SCHOOL
2025 SEVIERVILLE RD
MARYVILLE, TN 37804**

CLOSE CONTACT TRACING

We need your help! As we continue to work toward solutions to keep as many students in front of as many teachers for as many days possible, one big area of challenge is **Close Contact Tracing**.

From the beginning of the school year until fall break, we identified 309 close contacts. Since fall break, we have identified 276 close contacts. All Close Contacts are issued a 14-day isolation. It is fairly typical that approximately 12 – 18 students are identified for each positive case, yet some cases have yielded over 40 or more identified close contacts.

While the number of positive cases have not been unexpected or surprised us, the quantity of close contact quarantines has been the most challenging and stressful to our school community. The keys to keeping the number of close contacts small are **quick notification of positive test results** and **minimizing the number of days required to look for close contacts**. We know our best source of information and communication comes from our families because that reporting occurs faster than the health department. Swift parental action has been a huge asset to the district as that allows our teams to quickly take preventative measures. **Here are practical and important ways you can help us reduce the number of close contacts from each positive case:**

1. Please keep your student at home if symptomatic. The guidelines are to stay home for 10 days for COVID-level symptoms. Sometimes just taking one day at home will help parents or physicians determine if the symptoms are actually COVID level or not.
2. If you are considering giving your child a COVID test or are awaiting the results of a COVID test, please keep your child at home until a determination is made and results are provided. Initially, the guidance from the health department was to not test until symptomatic. However, we are now seeing an increase in testing regardless of symptoms. At this time, we ask that you keep your student at home even if you choose to administer a test to your child without symptoms out of an abundance of caution.
3. If your child has been in close contact with a person outside of the school environment who is positive, please take action and inform the school and keep your child home for 14 days. The close contact definition is proximity to an infected person for longer than 15 minutes and less than 6 feet with tracing beginning 48 hours prior to the onset of symptoms or a positive test. If you know your child is a close contact to an infected person, please take this action even if the Health Department never contacts you to officially identify your child as a close contact. The school will happily accept your parent report of Close Contact and will follow-up by providing digital instruction to your student for the 14-day isolation period.
4. Immediately inform the school of all positive test results.

These actions are critical to COVID management at the school and district level. If the “possibly positive” student stays at home until the test results are provided, that eliminates all of those days for close contact tracing because for each positive case, we are required to look back 48 hours to identify close contacts based on the 6 foot/15 minute guidance. Our board policy 6.403 on communicable diseases (<https://tsba.net/maryville-county-board-of-education-policy-manual/#students>) provides directives for “no student with a communicable disease which may endanger the health of either himself/herself or other individuals shall enter or remain in the regular school setting.” As with the annual flu, the only chance we have to prevent spread is for sick kids and adults to **stay home** and for everyone to **work as a team** on proactive strategies.

MCS Student COVID-19 Decision Tree

Protecting Staff and Children During the COVID-19 Pandemic

Rev. 10/28/2020

Students should be kept home from school for the following reasons:

Positive COVID-19 test or awaiting test results

OR

Symptoms of COVID-19

OR

Close contact with confirmed positive for COVID-19

GENERAL COVID-19 SYMPTOMS

- Fever (temperature 100.4°F or greater) or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

Students out for COVID-related reasons will become digital learners and not be counted absent if educational engagement continues.

Determine if your child should be sent to school and other necessary actions using the chart below.

After School Art 2020 with Ms. Jaquie

Monster Pillow & Basic Hand Sewing 1

Repeat students can make a stuffy of their choice.

Thread a needle, tie a knot, sew on a button, and stitch a seam.

Tuesdays Nov. 10, 17, 24 & Dec. 1 2:45PM – 4:00PM

\$30.00 includes snacks and supplies. Pathway to Peace Patio.

Class is limited to 12 students. We will only contact you if the class is full.

Return this art form and cash or check made out to CGIS to the office or Ms. Jaquie by Nov. 9
