TCAP/TN Ready Testing

Starting April 16th until May 1st, all CGIS students will be taking the TCAP/TN Ready Standardized Tests for this school year. This will affect doctor appointments and any other appointments your student may have. During testing time periods, we are not allowed to call into the rooms to get your students. All testing should be completed by 11:00 am each day.

We will not be offering Breakfast Break, which is the extra mini-breakfast, on testing days. Please help our CGIS students to have a successful TN Ready Test by being on time each day and eating a nutritional breakfast. Breakfast will be available on all testing days in the cafeteria between 7-7:30 AM. Let's SOAR to New Heights!

Below are all the TCAP/TN Ready Tests and the specific date for those tests.

Tuesday, April 30th - SSL Sub Part 1 & 2

Wednesday, May 1st - Science Sub Part 1 & 2

Monday, April 29th - 4th Grade Field Study - Zoo Knoxville - CGIS 4th Grade students will travel to Zoo Knoxville from 8:00 am until 2:30 pm.

Wednesday, May 1st - AR Final Lap - Reading goals need to be met by the end of each quarter. To ensure students are progressing toward their goals, there will be two "checkpoints" during each quarter. At the Last Lap Checkpoint, students who have not accumulated all their points toward their goal will be given time during Enrichment and recess to complete their goal.

Thursday, May 2nd - Art Fest - Our Annual CGIS Art Fest will be in Town Square from 5:00 - 7:00 pm.

Friday, May 3rd - May Madness Game - Our teachers will play against our basketball players in the CGIS Gym starting at 1:00pm.

Friday, May 3rd & Saturday, May 4th - Field Study for the Newspaper Club - Bedtime with the Beasts

Please visit our CGIS website at www.maryville-schools.org/cgis to find information regarding all our activities, clubs, school calendar, classroom information, and more.

Digital Citizenship - Self Image and Identity 4/26/19

Here are a few words of wisdom regarding digital citizenship. This week, we are focusing on Self-Image and Identity. Dr. Seuss once said, "Be who you are and saw what you feel because those who mind don't matter and those who matter don't mind." This has a lot to do with our identities and sense of who we are. At Maryville City Schools, we recommend that each person: Stay true to who you are, online and offline. Too often, people spend time worrying about how to change themselves to make people like them more. Dr. Seuss encourages us to remember that the people who really matter love us for who we are, no matter what. A positive self-image and identity start with the choices you make.

Current 5th and 6th Graders - CGIS Student Leadership Team

The Application process for Rangers, Ranger Captains, and Nest Egg workers will be open soon! These are student leadership positions at our school and will qualify you to be a part of the excellent CGIS Student Leadership Team. Being part of the **CGIS Student Leadership Team** will qualify you to help lead and shape the future of our school and be eligible for the Leadership trip to New York City in May, 2020.

To be a Ranger: Complete the application, point sheet write an essay, PowerPoint, or create a leadership poster, and have been an excellent example of a leader through your actions and attitudes this year. No Altitude Adjustments, ISS, OSS, or major office referrals.

To be a Ranger Captain: Must be a current Ranger, complete the Ranger Application and Point Sheet.

To work at the Nest Egg: Complete the application and point sheet, and have been an excellent example of a leader through your actions and attitudes this year. No Altitude Adjustments, ISS, OSS, or major office referrals. The top applicants will go through an interview process with CBBC bank personnel. Only 4, 6th graders and 4, 7th graders will be chosen.

(Other areas included in Student Leadership are: Liaisons, Student Council, Bookstore Workers, and Hawk Helper LEADERS - Chosen from Hawk Helpers for certain jobs)

Nest Egg Applications will need to be picked up by qualified students from Mrs. Taylor on **April 26, 2019 and are due May 3rd**. Interviews for top applicants will take place May 14, from 3-4:00. No late or incomplete applications will be accepted. Completed applications should be turned into Mrs. Taylor.

Ranger and Ranger Captain Applications will need to be picked up (and turned in) from Mrs. Taylor, Mr. Riddle, Ms. Borstelmann, or Mr. Harveston starting April 29, 2019. Application, point sheet, essay or poster is due by May 14, 2019. No late or incomplete applications will be accepted.

Camp Invention® is returning to Maryville City School District!

In partnership with the National Inventors Hall of Fame® (NIHF), **Coulter Grove Intermediate School** is pleased to offer the nationally acclaimed Camp Invention® program to children entering **kindergarten through sixth grade**. It's an exciting, weeklong summer adventure with lessons that explore connections between science, technology, engineering and innovation. Children work together to create solutions to real-world problems and build critical 21st-century skills while rotating through several high-energy, hands-on modules.

The week begins on **June 3, 2019** (8:00 to 2:30 with opportunities for extended camp experiences) with **Karla West** serving as Director of the **ALL-NEW 2019 program, Supercharged!** Instructors will include our very own Coulter Grove science teachers: **Allison Weaver, Andy Howe, Erica Pearce, and Lisa Wyrick!**

Here are how young innovators will be spending their time:

- Exploring the electrifying relationship between frequency, circuitry, motors and gears through reverse-engineering and rebuilding their very own remote-controlled robot.
- Unearthing hidden fossils then building ships and innovative equipment to embark on a research expedition to uncover more exciting information about their discovery.
- Coding and programming robot, Bot-ANN-E, to take on duties and help turn a polluted wasteland into a fruitful farm and successful business.
- Collaborating with the Innovation Force®, a team of NIHF Inventors turned action-packed superheroes, to design superhero gadgets and disguises, explore the fields of engineering and fabrication and take on the sinister villain, the Plagiarizer.

Activities give participants the opportunity to explore, discover and achieve while having fun!

Register using promo code PLAY15LISTING to save \$15 (expires 5/10) OFF \$230. Every registration includes a complimentary Camp Invention t-shirt. Availability is limited, so visit www.invent.org/camp or call 800-968-4332 to secure your child's spot today!
